CERTIFICATION

I, Elizabeth A. Phillips, certify that I am an officer of the company named above, and acting as an agent of the company, that I have personal knowledge that the company has established operating procedures that are adequate to ensure compliance with the Commission's CPNI rules. See 47 C.F.R. § 64.2001 et seq.

Attached to this certification is an accompanying statement explaining how the company's procedures ensure that the company is in compliance with the requirements (including those mandating the adoption of CPNI procedures, training, recordkeeping, and supervisory review) set forth in section 64.2001 et seq. of the Commission's rules.

The company has not taken actions (i.e., proceedings instituted or petitions filed by a company at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year.

The company has not received customer complaints in the past year concerning the unauthorized release of CPNI.

The company represents and warrants that the above certification is consistent with 47 C.F.R. § 1.17, which requires truthful and accurate statements to the Commission. The company also acknowledges that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject it to enforcement action.

STATEMENT

Mobile Radio Communications, Inc. ("Carrier") has established operating procedures that ensure compliance with the Federal Communication Commission ("Commission") regulations regarding the protection of customer proprietary network information ("CPNI").

- Carrier has implemented a system whereby the status of a customer's CPNI approval can be determined prior to the use of CPNI.
- Carrier continually educates and trains its employees regarding the appropriate use of CPNI. Carrier has established disciplinary procedures should an employee violate the CPNI procedures established by Carrier.
- Carrier maintains record of its and its affiliates' sales and marketing campaigns that use its customers CPNI. Carrier also maintains a record of any and all instances where CPNI was disclosed or provided to third parties, or where third parties were allowed access to CPNI. The records include a description of each campaign, the specific CPNI that was used in the campaign, and what products and services were offered as part of the campaign. All records are kept for a minimum of one year.
- Carrier has established a supervisory review process regarding compliance with the CPNI rules with respect to outbound marketing situations and maintains records of carrier compliance for a minimum period of one year. Specifically, Carrier's sales personnel obtain supervisory approval of any proposed outbound marketing request for customer approval regarding CPNI, and a process ensures that opt-out elections are recorded and followed.
- Carrier took the following actions against data brokers in 2018 including proceedings instituted or petitions filed by Carrier at a state commission, in the court system, or at the Federal Communications Commission. **None**
- The following is information Carrier has with respect to the processes pretexters are using to attempt to access CPNI, and what steps carriers are taking to protect CPNI: **Carrier has determined that no pretexter has attempted to access CPNI in Carrier's system.**
- The following is a summary of all customer complaints received in 2018 regarding the unauthorized release of CPNI:
